Subject: Label Amendment – Addition of claims against Zika virus and other minor changes
Product Name: NATRAPEL 8 HOUR INSECT REPELLENT WIPES
EPA Registration Number: 56575-14
Application Date: 07/06/2016
Decision Number: 519328

Dear Ms. Moyer:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

with FIFRA section 6. If you have any questions, you may contact Elizabeth Fertich at 703-347-8560 or via email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in dark ink, reading "Meredith M. Fry". The signature is written in a cursive, flowing style.

DIRECTIONS FOR USE: it is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read All Directions and Precautions on this Product Label Prior to Use.**

Tear open wipe at notch. Remove and unfold wipe [towelette]. Apply to all exposed skin. Apply sparingly around ears. Excess amounts or frequent applications are unnecessary. **Do not apply to hands of small children.** Avoid contact with lips, cuts, wounds or irritated skin. Do not apply to excessively sunburned skin. Reapply every eight hours. Do not exceed two applications per day. Do not use under clothing.

PRECAUTIONARY STATEMENTS: Hazards to Humans: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum or using tobacco.

STORAGE & DISPOSAL: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. IF EMPTY: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer recycling if available. IF PARTLY FILLED: Call your local solid waste agency or 1-800-526-9377 for disposal instructions.

FIRST AID IF IN EYES:

- Hold eye open and rinse gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice

FIRST AID IF SWALLOWED:

- Call a physician or poison control center immediately for treatment advice
- Have person sip a glass of water if unable to swallow
- Do not induce vomiting unless told to do so by a poison control center or doctor
- Do not give anything to an unconscious person

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical information

PHYSICAL HAZARDS:

Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.
